A wide-angle landscape photograph showing a vast expanse of turquoise water in the foreground. In the middle ground, a range of dark, forested mountains stretches across the horizon. The sky above is filled with large, dramatic clouds, with patches of blue visible. The overall mood is serene yet powerful.

The holidays with the Catamaran Elvira is a lifetime experience that you have to live!
Join us and we will offer you unforgettable memories!

The Catamaran Elvira has a spacious living space. Sit forward to enjoy the beautiful view of the Greece's landscapes that you will visit since she is faster than other sailing yachts. Relax and enjoy the sun on the comfortable sun mattresses, dive into the blue sea from the swimming platform or if you are lucky you might enjoy the company of dolphins playing along with you. Be certain that since The Catamaran Elvira has the capability of approaching shallow waters you will visit places that will amaze you by their beauty. It is well known after all that Greece is a paradise for one's vacation's with beautiful small villages, golden beaches with crystal clear waters, unique landscapes and beautiful taverns with fantastic dishes to enjoy!

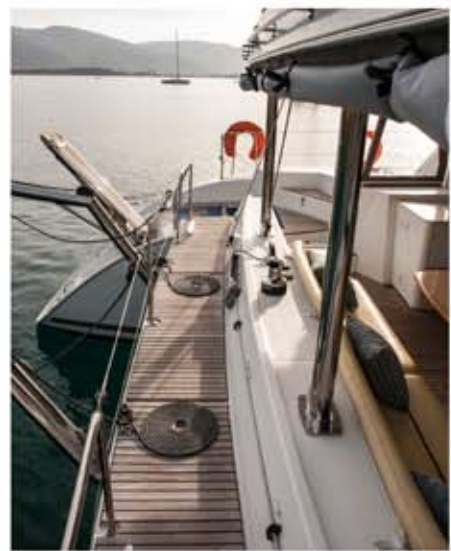

We welcome you on board and you can experience the real Greek hospitality that will be offered to you by the experienced and permanent crew of the yacht. The personal care that our crew puts into your needs will make your vacations more comfortable and of course memorable. Our chef will definitely make sure to meet your expectations offering you any kind of cuisine you love. Do not miss the opportunity though to try the Greek cuisine since the Mediterranean diet is the only diet providing us all the necessary vitamins and elements that offer us health and longevity.
